The two pillars of our business model Acquisitions and asset management

ACQUISITIONS

➤ Lead investor for new acquisitions
 ➤ Placing airport competence at the disposal of consortium partners
 → Additions to portfolio

ASSET MANAGEMENT

- Improve operational efficiency and sustainably strengthen the economic potential of existing airport holdings
- \rightarrow Value appreciation of participations
- → Increased earnings and cash flows from assets

AviAlliance as airport investor

Investment criteria

- Airports which have not yet tapped their potential to the full and thus offer substantial scope for development
- > Important criteria include:
 - Good growth potential
 - Attractive catchment area
 - Scope for infrastructure expansion and space optimization
 - Potential for non-aviation business
 - Improvements for operational and business performance possible

AviAlliance as asset manager

Value enhancement through active asset management
