The two pillars of our business model Acquisitions and asset management

#### ACQUISITIONS

Lead investor for new acquisitions
 Placing airport competence at the disposal of consortium partners
 Additions to portfolio

#### ASSET MANAGEMENT

- Improve operational efficiency and sustainably strengthen the economic potential of existing airport holdings
- $\rightarrow$  Value appreciation of participations
- → Increased earnings and cash flows from assets

#### AviAlliance as airport investor

#### Investment criteria

- Airports which have not yet tapped their potential to the full and thus offer substantial scope for development
- > Important criteria include:
  - Good growth potential
  - Attractive catchment area
  - Scope for infrastructure expansion and space optimization
  - Potential for non-aviation business
  - Improvements for operational and business performance possible

#### AviAlliance as asset manager

#### Key success factors Enhancing value

AviAlliance optimizes its airports in terms of both operational and commercial performance by

- promoting passenger growth (wherever this can be influenced).
- efficient planning and application of capital input.
- reducing commissioning risks.
- boosting non-aviation revenues.
- structuring financing.
- increasing and stabilizing debt servicing capability.

#### What sets AviAlliance off from its competitors

#### Airport services

AviAlliance is both operator and investor. It combines operational know-how with modern management methods and transaction expertise.

OPERATOR AND FINANCING KNOW-HOW	AviAlliance has the requisite know-how, both in operations and financing.
LONG-TERM COMMITMENT	AviAlliance is primarily interested in a long-term engagement.
INTEGRATIVE APPROACH	AviAlliance is an integrated operator with in-depth expertise in aviation and non-aviation activities, master planning and optimal capital structuring.
ACTIVE MANAGEMENT	As shareholder, AviAlliance assumes active responsibility for optimization and further development.
TAILOR-MADE SOLUTIONS	AviAlliance adapts to the specific conditions, circumstances and requirements of each airport.
INDEPENDENCE	AviAlliance operates independently of the performance of a home airport.
